HOW MUCH WILL IT COST?

The cost of education is more than just tuition and fees.
It includes:

- Living Expenses
- Books
- Supplies
- Transportation
- Personal Expenses

ESTIMATE YOUR COSTS	
Tuition & Fees	\$

Remember this is
just for **ONE** year!

ESTIMATE YOUR COSTS

Use a Net Price Calculator to get a personalized estimate of your college costs. Go to collegecost.ed.gov to estimate your “net price,” which is the difference between the full cost of college minus any grants and scholarships for which you would be eligible.

APPLYING FOR FINANCIAL AID

FREE APPLICATION FOR FEDERAL STUDENT AID (FAFSA®)

The FAFSA, available **October 1** for the upcoming award year, is the **MOST IMPORTANT APPLICATION** to complete for almost all types of financial aid. Many state, local and private entities use the FAFSA to determine eligibility for grants and scholarships, all with different deadlines. **Complete the FAFSA as soon as possible after October 1. Use the IRS Data Retrieval Tool to transfer student and parent tax information to the FAFSA.**

FOLLOW THE STEP-BY-STEP INSTRUCTIONS TO FILE THE FAFSA!

1

GET YOUR INFO ORGANIZED

The FAFSA asks for information about you and your financial situation. If married, you will need the same info for your spouse. If you are considered a dependent student, your parents will want to gather the same info since they will have to answer the parental questions. (Use the checklist on [page 7](#) to see if you are considered a dependent student.)

You will need these items to complete your FAFSA:

- ☐ A Federal Student Aid ID (Go to fsaid.ed.gov to create your FSA ID.)
- ☐ Social Security Number
- ☐ Your driver's license number, if you have one (optional)
- ☐ Alien registration number, if you are not a U.S. citizen
- ☐ W-2 Forms
- ☐ Records of untaxed income received, including workers' compensation, child support, payments to tax-deferred pension, and savings plans, etc.
- ☐ Federal income tax return (1040, 1040A or 1040EZ)
- ☐ Current bank statements and records of stocks, bonds and other investments
- ☐ Email address (optional)

WILL I NEED TO ANSWER QUESTIONS ABOUT MY PARENTS ON THE FAFSA?

Dependent students must provide parental info on the FAFSA. In general, most students under the age of 24 are considered dependent. If you meet one of following statuses, you are considered independent and are **NOT** required to provide parent info on the FAFSA.

- ☐ 24 years of age or older by December 31 of the award year
- ☐ An orphan (both parents deceased), in foster care or a ward of the court when 13 years or older
- ☐ Have legal dependents other than a spouse
- ☐ An emancipated minor or in legal guardianship through the court
- ☐ A homeless youth
- ☐ A veteran of the Armed Forces of the United States or serving on active duty for other than training purposes
- ☐ A graduate or professional student
- ☐ Married or separated

WHO SHOULD APPLY FOR A FSA ID?

Students completing a FAFSA should create a FSA ID at fsaid.ed.gov or [FAFSA.gov](https://fafsa.gov). If you are a dependent student, both you **AND** one of your parents require FSA IDs to sign the FAFSA.

WHAT CAN I DO WITH MY FSA ID?

You can use your FSA ID to access your financial aid data at the following U.S. Department of Education websites:

- [FAFSA.gov](https://fafsa.gov) - Complete your FAFSA, submit corrections to your processed FAFSA, use your FSA ID to sign your submitted FAFSA, obtain a copy of your processed FAFSA info, or add a school code to your FAFSA application.
- [NSLDS.ed.gov](https://nslds.ed.gov) - View a history of the federal student financial aid you have received.
- [StudentLoans.gov](https://studentloans.gov) - Complete Entrance Counseling and electronically sign a Master Promissory Note (MPN) for your Direct Loans.

WHAT HAPPENS AFTER I SUBMIT THE FAFSA?

If you provided an email address on your FAFSA, you will be notified by email when your FAFSA has been received and processed by the U.S. Department of Education. If you did not provide an email address, you will receive correspondence by regular mail regarding the receipt of your FAFSA. If you have questions about the processing of your FAFSA, you can contact **800.4.FED.AID** (800.433.3243) for further info.

PHEAA and each of the colleges that you listed on your FAFSA will receive a copy of the info you provided on the FAFSA. This information includes the Expected Family Contribution (EFC) that appears on the confirmation page of your FAFSA. The EFC is calculated by a federal formula based on the income and asset information that you provided on your FAFSA. If you were offered admission to a college and you included that college on your FAFSA, you will receive an award letter from the Financial Aid Office at the college. Beginning in May, PHEAA notifies students of their eligibility for the PA State Grant.

WHAT IF I NEED TO MAKE CORRECTIONS TO THE FAFSA?

If you need to make corrections to your FAFSA, visit [FAFSA.gov](https://fafsa.gov) and use your FSA ID to access your FAFSA and to submit the new corrections/changes.

Select one:

Enter your FSA ID (only the student should log in with an FSA ID).

OR

Enter the student's name, Social Security Number and date of birth. (You may have to enter your FSA ID later in the process).

The FAFSA's built-in "skip logic" may skip certain questions that do not apply to you.

Use your legal name as it appears on your Social Security Card. Do NOT use a nickname on the FAFSA.

SHOULD I FILE THE 2018-19 FAFSA OR THE 2017-18 FAFSA?

If you are applying for financial aid for the 2018-19 academic year, you need to file the 2018-19 FAFSA. Check with your school's Financial Aid Office if you need further guidance, and especially if you plan to take summer classes.

WHAT SCHOOLS SHOULD I LIST WHEN ASKED, "WHERE DO YOU WANT TO GO TO SCHOOL?"

List any schools you are considering attending, listing your top school first. You can list up to 10 schools. The results of your FAFSA will be sent to colleges and schools that you list. Please keep in mind:

- You can add or delete schools at any time.
- It's important to indicate if you will live on campus, off campus, or with a parent.
- A student does not have to be admitted to a school to add the school to the FAFSA
- Indicate if you are interested in being considered for work-study. You're not guaranteed a campus job, but at least you may be considered for one.

DO I HAVE TO REGISTER FOR SELECTIVE SERVICE?

If you are a male (age 18-25), you are required by federal law to register with Selective Service. This requirement applies to any person assigned the sex of male at birth. Failure to register by age 26 may result in permanent loss of federal student aid eligibility. If you select "Register Me" when you complete your FAFSA, Selective Service will register you. You can also register at sss.gov.

WHAT ASSETS MAY I NEED TO INCLUDE ON THE FAFSA?

You may need to provide info about your assets on the FAFSA. In some cases, the FAFSA will allow you to skip the asset question. Reported assets are based on net values as of the date you submit your FAFSA.

Assets that you may need to report include:

- Cash, checking and savings accounts
- Investments such as stocks, savings bonds, CDs, and mutual funds
- Value of all Coverdell accounts owned by parent(s) that complete the FAFSA or Coverdell accounts owned by the student
- Value of all 529 plans owned by the parent(s) completing the FAFSA or 529 plans owned by the student
- UGMA and UTMA accounts owned by student filing the FAFSA
- Custodial accounts
- Rental properties that you own

Assets that you **DON'T** need to report include:

- Your family home, if it is your principal place of residence
- Your family farm, if the farm is your principal place of residence and your family materially participated in the farm's operation
- Your family business, if your family owns and controls more than 50 percent of a small business that has 100 or fewer full-time or full-time equivalent employees
- The cash value or built-up equity of a life insurance policy
- Value of 401k, 403b, non-education IRAs, Keogh, pension plans, and qualified retirement plans

IF MY PARENTS ARE DIVORCED/SEPARATED, WHAT INFO SHOULD I PROVIDE ON THE FAFSA?

Provide info for the parent you lived with the most over the past 12 months. Include info about any stepparent in that same household. If you lived with both parents an equal amount of time, provide info for the parent who provided you with the most financial support over the past 12 months.

WHAT IS THE IRS DATA RETRIEVAL TOOL?

The IRS Data Retrieval Tool allows FAFSA applicants and parents to request and retrieve their tax data directly from the IRS. Once the data is retrieved, it can be transferred to the FAFSA application. Do not change the information that has been transferred over from the retrieval tool.

WHAT IF I HAVE SPECIAL FINANCIAL CIRCUMSTANCES?

Sometimes, the info on the FAFSA doesn't represent your financial situation. If you and your family have an unusual financial situation, please contact the Financial Aid Offices at the schools you are considering attending. The following examples are situations that the financial aid office may be able to consider, in addition to your FAFSA info:

- Recent unemployment
- High medical expenses not covered by insurance
- Loss of income and or assets
- Death or disability of parent or spouse
- Unusual circumstances

You may also go to [PHEAA.org/StateGrant](https://www.pheaa.org/StateGrant) for guidance about how to report this info to PHEAA with regard to PA State Grant eligibility. Contact PHEAA at **800.692.7392**.

CALCULATING YOUR FINANCIAL NEED

Once you complete the FAFSA application, the Financial Aid Office at the school you plan to attend will develop a financial aid award package that will outline your financial aid eligibility. A financial aid package is simply a list of the amounts and types of aid that you may receive from various financial aid programs.

Cost of Attendance (COA)

– Your Expected Family Contribution (EFC)

= YOUR FINANCIAL NEED

THERE ARE THREE TYPES OF AID:

1. GRANTS AND SCHOLARSHIPS

This is FREE money that does not have to be repaid.*

Federal and state grants are awards that **do not have to be paid back** (provided you meet the requirements) and are **typically based on financial need** (some grants include merit criteria).

Scholarships are federal, state, institutional, and private funds that **do not have to be paid back**. They are awarded to students who may demonstrate or show promise of high achievement in academics, athletics, music, art or other fields. However, scholarships are available to everyone - the dreamers, those who get involved with their community and can be based on your personal attributes. Civic organizations, religious institutions, businesses, associations can offer scholarships. A high school student should check with their guidance office for local opportunities and postsecondary institution scholarship information can be found on their websites. Take the time to search. Eligibility for some scholarships may be based on financial need. Visit scholarship sites, such as:

- EducationPlanner.org
- Finaid.org
- Fastweb.com

2. WORK-STUDY

Provides part-time jobs for students with financial need. There are a number of different types of student employment programs. Check with your school's Financial Aid Office to determine the availability of work-study awards.

3. LOANS

Money that must be repaid *with interest*.

*Some grants require a service obligation, and if not met, the grant will convert to a loan that must be repaid.

PA STATE GRANT PROGRAM*

This program provides grants to eligible Pennsylvania residents who are in need of financial assistance to attend PHEAA-approved postsecondary schools as undergraduate students.

Award amounts are based on the college costs and the student's need. Students must be enrolled in an approved program of study that is at least 2 academic years in length. Additional requirements including information concerning satisfactory academic progress, can be found at [PHEAA.org](https://www.pheaa.org). The maximum award is dependent upon available funding and subject to review and adjustment.

Applicants for 2016-17 were eligible to receive up to \$4,340 as a full-time student at a PA school and up to \$554 (\$739 for veterans) at a college outside of PA.

Students enrolled on a half-time basis (at least six credits per semester or its equivalent) were eligible to receive up to \$2,170 at a PA school and up to \$500 (\$500 for veterans) at a college located outside of PA. Students enrolled in the summer may also be eligible for a Summer State Grant.

*NOTE: PA State Grants may be used at eligible institutions in Delaware, District of Columbia, Massachusetts, Ohio, Vermont, and West Virginia.

For more details, please read the Rights and Responsibilities Certification document at [PHEAA.org/SGrights](https://www.pheaa.org/SGrights).

APPLY FOR A PA STATE GRANT

The screenshot shows the '2017-2018 Confirmation Page' of the FAFSA. At the top, it says 'Federal Student Aid' and 'FAFSA™ Free Application for Federal Student Aid'. Below the navigation bar, a message states: 'Your confirmation page has been sent to you at the e-mail address: stanleystudent@gmail.com'. There are links for 'PRINT THIS PAGE', 'Confirmation Number', and 'Data Release Number (DRN)'. A congratulatory message follows: 'Congratulations, Stanley! Your FAFSA was successfully submitted to Federal Student Aid.' At the bottom, a red arrow points to a link that says 'Start your state application to apply for Pennsylvania state-based financial aid.'

After clicking "Start your state application," you will be taken to a new page where you can complete the PA State Grant Form.

The screenshot shows the 'Pennsylvania State Grant Form' on the American Education Services (AES) website. On the left, a 'Getting Started' sidebar lists three steps: '1 Provide Information', '2 Verify & Submit', and '3 Confirmation'. The main content area is titled 'Getting Started' and includes a 'Live Customer Support' button. It provides information about what to have ready, such as diploma date, Social Security Number, and a Pennsylvania 529 College Savings Program account. A yellow box with a warning icon states: 'Adobe Reader is required to view and print your PA State Grant Form. This plug-in is available as a free download from Adobe.' At the bottom, there is a 'Print this page' link and a 'Continue >' button.

SHOULD I FILL OUT THE STATE GRANT FORM?

First-time applicants for a State Grant are required to complete a State Grant Form (SGF). A link to this form can be found on the confirmation page of the FAFSA and also within Account Access at PHEAA.org/AccountAccess. If you exit the FAFSA without clicking on the link, visit PHEAA.org/AccountAccess approximately 3-4 days after your FAFSA is submitted, and complete the SGF.

WHAT IS ACCOUNT ACCESS?

Account Access is PHEAA's online student portal that provides information in a single, secure site. With Account Access, you can participate in the PA State Grant Program, check the status of an aid application, update school choice and enrollment status, and review/update your personal information.

WHO IS AMERICAN EDUCATION SERVICES (AES)?

PHEAA conducts its student loan servicing operations commercially as AES. AES created Account Access to provide a way for borrowers to manage their loans online. PHEAA uses this secure service from AES to support students who participate in some of the aid programs which PHEAA administers.

- Not all schools participate.

STUDENT LOANS

Student loans are available to help students and families pay for higher education. If you need to borrow to help pay for your education, you will want to understand the loans available to you and how you will later repay those loans.

FEDERAL DIRECT LOAN PROGRAM

The Federal Government offers loans to students and parents to help with higher education expenses. These loans have fixed interest rates and flexible repayment options. To apply for a loan, students need to complete the FAFSA and meet all other eligibility criteria. Visit [Studentloans.gov](https://studentloans.gov) for more information about the eligibility requirements and current interest rates.

DIRECT LOANS FOR STUDENTS

Undergraduate, graduate and professional degree students may be eligible to borrow a Direct Loan. Students may be eligible to borrow *Direct Subsidized Loans* and or *Direct Unsubsidized Loans*.

DIRECT SUBSIDIZED LOANS

On a subsidized loan, the federal government pays the interest while you are in school and during a six-month grace period. To qualify, you have to apply for financial aid, show financial need and receive a loan.

DIRECT UNSUBSIDIZED LOANS

On an unsubsidized loan, the federal government doesn't pay the interest for you while you are in school or during your grace period. The interest will be charged to you and you can choose to pay it or let it accrue (add up) and then begin payment on it when you begin full repayment of your loan. An unsubsidized loan costs more to borrow than a subsidized loan. Students often borrow a combination of both subsidized and unsubsidized loans.

Students do not have to have financial need to borrow an unsubsidized loan but they must have remaining costs, as determined by their school that are not covered by other financial aid.

REPAYMENT OF SUBSIDIZED AND UNSUBSIDIZED DIRECT LOANS

If you borrow a loan as a student, you will need to begin repayment after you leave school or drop to less than half-time status. Typically, most borrowers are eligible for a grace period of 6 months before they are required to begin repayment of their Direct Loans.

HOW MUCH CAN I BORROW?

Students are limited in how much they can borrow per academic year and how much they can borrow as a student.

- Certain health profession students may qualify for higher limits.
- Undergraduate annual loan limits are subject to prorating if the student's program of study or final period of enrollment is less than an academic year in length.
- Undergraduate students who do not meet the financial need requirements to receive a Direct Subsidized Loan or have reached the aggregate limit in subsidized loans may receive up to this entire annual or aggregate amount in Direct Unsubsidized Loans, assuming the student has remaining eligibility for the loan(s).

DIRECT LOAN INTEREST RATES

Direct Loan interest rates are determined each July 1. Visit studentaid.ed.gov for current rates.

DIRECT PLUS LOANS FOR PARENTS

Parents of dependent undergraduate students can borrow a PLUS loan to help pay for their child's education. The PLUS loan has a fixed interest rate and allows parents to borrow up to the remaining cost of attendance (cost of attendance minus any financial aid) determined by the school. Financial need is not required in order to be eligible to borrow a PLUS loan.

A borrower must not have an adverse credit history and part of the application process includes a credit check. If a parent borrower has an adverse credit history, the parent can still borrow a PLUS loan if they have an endorser (co-signer) or the student could qualify to borrow the higher loan amounts available to Independent students through the Unsubsidized Direct Loan Program due to the denial of a PLUS loan to the parent.

WHO CAN BORROW FROM THE PARENT PLUS PROGRAM?

Biological or Adoptive Parent	Yes
Stepparent	Yes, but only for as long as the stepparent is married to the student’s biological parent.
Grandparents, Aunts, Uncles, Other Relatives	No, unless they have legally adopted the student
Legal Guardians for Foster Parents	No

DIRECT PLUS LOAN INTEREST RATES

Direct PLUS Loan interest rates are determined each July 1. Visit studentaid.ed.gov for current rates.

PRIVATE EDUCATION LOANS

Many lenders offer loans outside of the federal loan program called “alternative” or “private” education loans. These loans allow you to borrow money to cover the gap between the cost of your education and the amount of financial aid you receive.

You should only consider them after you’ve exhausted all other sources of funding because private education loans can have higher interest rates, may require payments while in school, and may require a cosigner. If you’re already borrowing under the Direct Loan Program, you need to consider if you’ll be able to make both payments!
