

Dear Students and  
Parents,

Welcome! Fourth grade is an exciting year, full of academic and personal growth. As we travel through this year, communication and high expectations are crucial for success. We will keep you informed of your child's progress and needs, and we hope you will keep us informed as well. We recognize the important role you play as your child's first and best teacher, so we ask for your support and guidance as we progress through this school year.

On the first day of school, don't forget a healthy snack, your lunch or lunch money, any important papers that need to be returned to school, and a big smile! The following items will be necessary supplies for fourth grade. Please ONLY send in the supplies listed below; we do not have extra storage space in the students' desks for additional materials.
